

Hi Fantastic people of OLESS,

I had to write to tell you thank you for all of the improvements you have made to the school and park. My family has used the playground equipment, green grass, shelter, volleyball net etc... I love taking my grandson to play where his Mom spent many hours laughing and running. Here is a check for \$500 to be used for the Park's upkeep, nothing lasts forever and good equipment and materials sometimes must be replaced to keep everyone safe. I have noticed there are wires beginning to poke through on the seats of the swings and there are few wood chips under the swings. I take my grandson to the park as often as I can. Thank you all for all you do for the people of Lyle, their families and friends.

P.S. The three new trees that were planted last spring look terrific! I often drive by very slowly through town so I can look at them, smile and remember how Matthew touched lives.

Love,
